Annexure II

Guidance on when an event/information has occurred

- The listed entity may be confronted with the question as to when an event/information can be said to have occurred.
- In certain instances, the answer to above question would depend upon the stage of discussion, negotiation or approval and in other instances where there is no such discussion, negotiation or approval required viz. in case of natural calamities, disruptions etc, the answer to the above question would depend upon the timing when the listed entity became aware of the event/information.

In the former, the events/information can be said to have occurred upon receipt of approval of Board of Directors e.g. further issue of capital by rights issuance and in certain events/information after receipt of approval of both i.e. Board of Directors and Shareholders.

However, considering the price sensitivity involved, for certain events e.g. decision on declaration of dividends etc., disclosure shall be made on receipt of approval of the event by the Board of Directors, pending Shareholder's approval.

In the latter, the events/information can be said to have occurred when a listed entity becomes aware of the events/information, or as soon as an officer of the entity has, or ought to have reasonably come into possession of the information in the course of the performance of his duties.

Here, the term 'officer' shall have the same meaning as defined under the Companies Act, 2013 and shall also include promoter of the listed entity.
